The design plans for the Upper Shoal Creek-Lower Hancock Branch portion of the Austin Clean Water Program require acquisition of a permanent wastewater line easement, a temporary working space easement, and a temporary ingress and egress easement on land located at 2211 Hancock Drive.

The City of Austin has attempted to purchase the permanent wastewater line easement, temporary working space easement, and temporary ingress and egress easement from the landowner for \$63,100, but the landowner neither accepted nor made a counteroffer. The Law Department is requesting authorization to file a lawsuit in eminent domain on behalf of the City of Austin.
